'She Stoops to Conquer', by Oliver Goldsmith

Let them brag of their heathenish gods, Their Lethes, their Styxes, and Stygians, Their Quis, and their Quaes, and their Quods, They're all but a parcel of Pigeons. Why, with his usual Gothic vivacity, he said I only wanted him to throw off his wig, to convert it into a tete for my own wearing.

Stoop to conquer

But you have not been wholly an observer, I presume, sir: the ladies, I should hope, have employed some part of your addresses.

He Stooped to Conquer (Philippians 2:6)

He must not see my uneasiness.

He Stooped to Conquer by Jane Lane

His communication, commitment and action have been found consistent with his intent and vision, and he is able to convince people that he wants to make India great among the top few nations in the world. This way a little, for he must not hear us.

Kerala floods: How a Malappuram fisherman stooped to conquer

If you have not seen it before, please don't let this version be your first time. Shes mine, you rogue you. Needless to say, these are dangerous omens for the Indian politics and too bad for the democratic and secular credentials of the nation.

I do from my soul, sir. O no, sir, none in the least; yet I don't know how; our Bridget, the cook-maid, is not very communicative upon these occasions. I tell you, sir, Im serious! Yours and yours, my poor Sulky! Hindutva Card: Altogether a new and at the same time quite surprising and shocking narrative was experienced by the Indian people during the current Gujarat elections.

She Stoops to Conquer by Oliver Goldsmith

Yes, she said she'd keep it safe enough; she asked me how I came by it; and she said she had a great mind to make me give an account of myself.
