## Government Engagement (English US)

The Harbourfront Corporation was dismantled in 1990, with only half the project completed.

## Darrell Smith

Data collection had to be completed prior to December 2017 in order to meet the program needs.

## Harbourfront Commission

The Leisure and Cultural Services Department LCSD and the Architectural Services Department ArchSD consulted the Community Building Committee under the Yau Tsim Mong District Council YTMDC and the Task Force on Harbourfront Developments in Kowloon, Tsuen Wan and Kwai Tsing Kowloon Task Force under the Harbourfront Commission HC on the preliminary design of the open space development in May last year and early this year respectively.

## Papers (English US)

Another task is to translate ideas into action.

## Government seeks market views on the first public

The site presented overwhelming images of isolation and decay as a result of the decline of the port-related activities and years of under investment in infrastructure. As such, keeping the program with the Minister Responsible for the GTA currently the Minister of Finance remains appropriate and the best option.

## Harbourfront Business Development Plan

Such an arrangement would have added millions of dollars to the cost of the project.
