Artículos de revistas: budgets Connecticut

Local borrowing has a significant potential for revenue mobilization, which practically does not used by local authorities. The important role and value of local budgets, which may be considered a financial base of many-sided activity of local authority bodies and management, is reviewed in the paper, as well as the problems of local budgets in Kazakhstan.

Chibang chǒngbu yesan p'yŏnsŏng chedo kaesŏn pangan yŏn'gu (1986 edition)

At the same time, the state and trends of local budgets are influenced by legislation framework. Resumen One of the key factors on which the efficient functioning of the entire national economy depends is the organization of the State taxation system. The proposed identification and classification of subsidized regional budgets and analysis of their current state helped reveal the increasing financial dependence of regional budgets on Federal center grants.

Chibang chǒngbu yesan p'yŏnsŏng chedo kaesŏn pangan yŏn'gu (1986 edition)

The main sources of revenue of local budgets, their economic nature, features of administration and possible threats in case of launch of the land market are identified. It is pointed out that the growth of their percentage results in reduced motivation of local authorities to increase their financial base, inertia of regional elite and dependency. Additionally, the results of the study can be used for scientific purposes, as a material for further studies.

Chibang chǒngbu yesan p'yŏnsŏng chedo kaesŏn pangan yŏn'gu (1986 edition)

There are significant shortcomings both in the legislation and in the practice of local borrowing. In this study, we found 14 rhagionid species, including 4 not previously recorded from Connecticut.

A key role in reducing all of the above-mentioned negative phenomena, which are currently present in the process of formation of local budgets, is allocated to budget control. The implementation of the proposed method allow one to assess the levels of financial decentralization of local budgets to establish the degree of financial autonomy and financial self-sufficiency of the territories.

Chibang chǒngbu yesan p'yŏnsŏng chedo kaesŏn pangan yŏn'gu (1986 edition)

On the basis of the conducted research problems of local budgeting, I reveal the redistributions of receipts through the republican budget. In 2017, at the time of the inspection, the facts of conducting operations with allocation of budget funds for the total amount of UAH 99. The conducted research of the practice of budget control in drafting, reviewing and taking decisions on local budgets made it possible to formulate the following conclusions and proposals: it is necessary to form a single mechanism for calculating the planned and forecast indicators of revenues of local budgets; it is necessary to increase the level of openness and transparency in the process of drafting local budgets; it is worth improving the legislative framework that would oblige local authorities to involve public representatives in the process of preparing and adopting decisions on local budgets.
