19 of America's Most Iconic Steakhouse Chains

ABR was formed by acquiring casual brands, many of which were sold out of bankruptcy. We requested it medium rare, and for the most part it was, with some parts tending more towards medium, but that was fine.

I always subscribed to the idea that a good steak could stand on its own, but I tried some of the sauce: It was really interesting, and definitely altered the Steak dramatically. A Texas-based food writer and editor, Helen Thompson has written for and edited such publications as Metropolitan Home, Renovation Style, TRIBEZA, Veranda, Country Home, Traditional Home, Elle Decor, Architectural Digest, InStyle, and Texas Monthly. Our BookSleuth is specially designed for you.

Would you travel out of the U.S. for a great steak?

Sprinkle the green onions over the meat and serve.
