Filesize: 42.13 MB

He draws on Marc Angenot, Chomsky and Bakhtin, especially, to make a powerful argument for the role of narrative construction in the hearings he describes.

Robert Barsky

Jones makes reference to specific individuals, events and trends, and in so doing demonstrates just how complicated and interrelated are the issues surrounding borders. Their training, which is designed for battle against enemies, is then brought to bear against the tired and hungry, with predictable results p.

Robert F. Barsky

Furthermore, it theorizes the problems that face refugees by discussing the perception of the possible host countries.

Book Review: Violent Borders: Refugees and the Right to Move

His first novel, 'Hatched', was published in early 2016. Get in touch with us! This is the first book of its kind to address the crucial issue of why people choose to make Convention refugee claims.
