Get Started In Shorthand: Pitman 2000: Master the basics of shorthand: a beginner's introduction to Pitman 2000 (Teach Yourself) eBook: Publishing, Pitman, Mac Bride: skynet2550.us.to.au: Kindle Store

However, it is a good exercise to undertake periodically, so that you revise and consolidate your knowledge of them. It is up to you how much to vocalise, and whether the extra time taken is working for or against you. In the second of each of the sentences below, joining the outlines would be inappropriate and make the shorthand awkward to read back: I saw the cat-walk.

As the words are generally spelled identically, this merely aids comprehension of the text as you read your shorthand back, especially important if reading back in situ, with all eyes on you. This is never shown and the outline is fully correct without it.

2000 Shorthand

The reason they have attachments is that, as the system developed in its early days, more strokes were required than were available from the

straight lines at various angles and segments of a circle. If such a word arose, it would probably best to start the outline with Circle S on Way, followed by the appropriate strokes or diphone.
