**Forensic Interview Task Force**

The NHIS is conducted using computer-assisted personal interviewing.

## Florida Department of Health in Marion

The National Health Interview Survey NHIS has monitored the health of the nation since 1957.

## National Health Interview Survey

Please count on spending approximately two hours. Language translation available, TTY users dial 7-1-1. In January 2019, NHIS launched a redesigned content and structure that differs from its previous questionnaire design 1997—2018.

## Forensic Interview Task Force

Your household was selected to represent thousands of other households like yours. DOH must provide the Florida legislature with the protocol by July 1, 2018. The National Health Survey Act of 1956 provided for a continuing survey and special studies to secure accurate and current statistical information on the amount, distribution, and effects of illness and disability in the United States and the services rendered for or because of such conditions.
