## Saxifrages : The Definitive Guide to 2000 Species, Hybrids and Cultivars by Malcolm McGregor (2008, Hardcover) for sale online

Although distributions for research, education, and repatriation are of the highest priority, the NPGS also encourages various seed-saver organizations and public gardens to conduct germplasm conservation activities that engage many individuals and groups throughout the country. Malcolm McGregor's advice on using saxifrages in different parts of the garden and his list of the top 100 saxifrages will be invaluable to gardeners new to the genus and to experts who wish to diversify.

## GRIN

This book brings together accounts of garden and wild saxifrages, their botany, history, cultivation and propagation. If you read one book out of this list, this would be the one I would recommend most.
