### Biografía de José de San Martín

The took place on 26 July 1822.

### San José María Rubio

Finalmente, en 1817 inició la gran campaña que habría de dar un giro nuevo a la guerra, en el momento más difícil para la causa americana, cuando la insurrección estaba vencida en todas partes con excepción de la Argentina.

### Biografía de José de San Martín

A royalist, probably Zabala himself, attempted to kill San Martín while he was trapped under his dead horse where he suffered a saber injury to his face, and a bullet wound to his arm. The family settled in , but as Juan was unable to earn a promotion, they moved to. San Martín proposed that the country declare independence immediately, before the crossing.

### José de San Martín

Solicitó la baja en el ejército español y marchó primero a Londres 1811 , donde permaneció casi cuatro meses.

### José Martí

Spain had not ratified the conditions of the peace treaty, had falsified elections, continued excessive taxation, and had failed to abolish slavery.

### Biografía de San José

He met personally the president, , about this project. On March 12, his Spanish translation of Hugo's Mes Fils 1874 began serialization in Revista Universal. However, not everything in the United States was to be admired by Martí.

### Browse subject: Statesmen

While there, he was commissioned by the government to write the play *Patria y Libertad* Drama Indio Country and Liberty an Indian Drama. There was clearly a dichotomy in Martí's feeling about the kind of work he was translating. In March, the newspaper proposed a series of candidates as delegates, including Martí, to the first Congreso Obrero, or congress of the workers.

### **José Martí**

San Martín is regarded as a national hero of Argentina, Chile and Peru, a great military commander, and one of the Liberators of Spanish South America. The difference that Martí established between prose and poetry are conceptual. Descendiente de la casa del , José se casó con María, pero, antes de que cohabitasen, supo que María había concebido un hijo.
