Art critics DON'T hold back their disdain for Diana statue branded a 'spiritless hunk of nonsense'

Also since they appear in Numbers after the flood it is likely a title or adjective used to describe large people. By this time Cain had had a son: Enoch; a grandson: Irad; a great grandson: mehujael; a great, great grandson: methushael; and a great, great, great grandson: who was Lamech! There are also plenty of old texts out there, Jubilees, The book of giants, The Book of Enoch that speak of these giants. Please understand that there are men that like the organic smell of another man without any additives.

While they are famous for their erotic sculpture, sexual themes cover less than 10% of the temple sculpture. Scientists now believe that humans today have a small amount of Neanderthal DNA showing that the two species mated several times during their co-existence. In this sense, the Rephaim live up to their name, as their purpose in each narrative is to die.

In ancient and medieval literature, their kingdom has been referred to as Jijhoti, Jejahoti, Chih-chi-to and Jejakabhukti. The ceremonial display and subsequent burial of wishes from all over the world disseminates Ono's universal message of peace. I must vehemently disagree with this conclusion as it neglects the true Hebrew behind the text and the context in which it sits.
