## Two States—One Nation? by Günter Grass

His argument against German reunification rests on the tragic precedents of this century. . The writer is a left of center artist who has some interesting and provocative ideas.

## Two States—One Nation? by Günter Grass

We eat our role models, those mushrooms and that excrement. It was despised in the East because it was anti-Stalinist and asked the embarrassing question, Where was Brecht? The fugitive pieces collected in Two StatesOne Nation? In another subplot, five feminists on a barge in the Baltic search for a vanished matriarchal city; they will be vaporized. The state of the settlers is also taking safety measures to protect itself from the activities of the State of Israel.

## Two States

And one fine day one of those archeologist fellows comes along.

## One nation

However, I have no wish to pass censure on the humorists.

## TWO STATES, ONE NATION?

So it just may be that India is now comfortable enough with a national identity that it is allowing local voices to flourish. Yes, of course, salvation for Grass is all works, and he'd probably rather sit down for beer and potato salad with Erasmus; but I can't help recalling the Ninety-five Theses nailed to the door of a Wittenberg church, and the tract on Babylonian Captivity, not to mention the famous farting contest between Luther and Lucifer.

## Two states

So much for Goethe, Heidegger, Nietzsche, etc.

## **Two States**

This is more than Oedipal rage. They would forgive you then your urgency. There are even extremists who are threatening to harm Islamic holy sites.
