because it would go against the democratic process in him personally instilling a new president.

### **Crows and Ravens in Fantasy**

This dark YA fantasy was just what I needed. This person often worked in the castle as a butler and would teach the medieval-minded homunculi about the outside world. Paige and Morgan are writing powerhouses and together they are going to take over the mother f'in world! Around the middle I could tell, it just wasn't for me.
