Having two consuls ensured that one man would not dominate the State.

## Staring Defeat in the Face

He identifies the legions taking part in the wars, campaigns, and battles of the time, inclusive of their names, commanders, and frequently the names of individual officers and enlisted men. However, he continues to have issues with the , which keeps shutting off for no obvious reason; whenever the generator shuts off, the ventilation fans stop, effectively vacuum sealing the shelter. Its ability to carry heavy ordnance becomes key in various localized conflicts, and it has the power to destroy entire towns without endangering the wearer.
