Talk:Soviet Union

Missing a myth Nina Mechtaeva, 65, lived most of her life in the Soviet Union, but unlike many of her peers, she has no desire to return to that country. By the late 1930's mass illiteracy was gone, mass opposition to sovietization was overcome, and cultural proletarianization had become wedded to russification, partly to pacify segments of the Russian population. There is evidence that the Chinese felt restricted by the Russians, who forced them to defer to the Soviet Union for technological and strategic support, but offered only minor support in exchange.

China Succeeds Where the Soviet Union Failed

After decades of heavy-handed control over Eastern Bloc nations, the Soviet Union under Gorbachev eased their grip.

Vyacheslav Molotov

The Soviets also came up with their space shuttle, the Buran, which was arguably more advanced in some aspects than the US model. Usually sticks with chewed ends were used for brushing teeth.

Language Policy in the former Soviet Union

President Nixon returned to the United States on May 30. The conspirators, led by Brezhnev, First Deputy Premier, and KGB chairman, struck in October 1964, while Khrushchev was on vacation at, with his close ally. They have captured the fleeting moment when a subtle shape-shift within DNA causes a mutation, the change that is at the very root of all the diversity and beauty in living things, as well as of pandemics and cancer.

Soviet Union

The Soviet Union declared war on Bulgaria in September 1944 and invaded the country, installing a communist government. If you can improve it,

Perestroika and Glasnost

Reagan carried his ill-suppressed disgust with and hatred of totalitarianism to the presidency. Zotova gives a slightly different estimate of 666. While the attendees at the Speech were all Soviet, Eastern European delegates were allowed to hear it the following night, read slowly to allow them to take notes.

Nazi

If by evil intent I should violate this, my solemn oath, then let the severe punishment of Soviet law and the total hatred and contempt of the working classes befall me. It was like a gambit in chess: if we hadn't made that move, the war would have started earlier, much to our disadvantage.
