According to and the 's policy chief, all such factors could impact on the City of London's present status as a European and global market leader in financial services. Nonetheless, while it is praiseworthy and right to promote such services, care must be taken that they are not proposed to the faithful as alternatives to the celebration of Holy Mass on Sundays or holydays of obligation.

## 2016 United Kingdom European Union membership referendum

In a number of cases, nations once rich in faith and in vocations are losing their identity under the influence of a secularized culture. Full and unhesitating certainty that the words inspired by God are true ... What is the distinctive mark of the faithful? The mining and quarrying sector makes a negligible contribution to the economy, accounting for less than 1% of GDP.
