## Parenting skills

Some of the areas that can be elaborated more are speech-language and hearing.

## Your Child's Communication: Fourth Grade

. The content is comprehensive, well - researched and sequential. Examples and case studies are really informative.

## Articles about Child Development

It is very professionally done and is accessible to students. Strong parent-child bonds, good nutrition, adequate sleep, and a safe, nurturing environment at home and school will help ensure that children have the best chance of developing as they should.

## Play And Child Development 4th Edition PDF Book

He has taught at the University of Charleston, the University of Georgia, and the University of Texas at Dallas.
