**orchestral music**

The interviews were condensed and edited into very readable statements.

**Historically informed performance**

The eponymous girl, intelligent, inquisitive, and converted to Christianity by insubstantial missionary teaching, sets out to find God, on a journey that after many adventures and encounters, leads her to a secular conclusion. By Jacob Stockinger This past week feels like a week that deserves mass grieving. Shaw was much impressed by Collins, and was saddened when, three days later, the Irish leader was ambushed and killed by anti-treaty forces.

He declined, believing that an author's merit could only be determined by the posthumous verdict of history. It was abandoned unfinished, as was his first try at a novel.

**critic**

In the ensuing session, Johnson played six selections, 13 takes in total, and was accompanied by Willie B.
