Verbände und Interessengruppen im Transformationsprozeß in Afrika: Annäherungen an ein wenig erforschtes Thema

Zehn Jahre später hatten nur fünf Länder noch keine Mehrparteienwahlen durchgeführt 3. In diesem Beitrag schlagen wir demgegenüber vor, die regionale Entwicklung zivilgesellschaftlicher Strukturen einerseits vor dem Hintergrund.... The main body of the work is divided into three sections: Nigeria Before 1800; Nigeria in the 19th century; and Nigeria in the 20th century.

Zivilgesellschaft und Entwicklung on JSTOR

With the end of the great debate on a New International Economic Order, the ideal of an international order founded on the economic rights and duties of states as formulated in the UN Declaration of 1974 had to yield place to a new concept of development aid concentrating on individuals, the support of democratization processes, the support of procedural and material protection of human rights and, last not least, a market economy as fundamental condition for individual participation and self determination in cultural, economic and political affairs. Founded in 1968 and inspired by decolonization and the idea of a cooperative new beginning, the Journal also promotes a special interest in contributions on 'Law and development'. Regularly articles included are on varied topics, but the journal also publishes special issues devoted to specific subjects.
