## Wolfgang Kulzer Humor in Gottfried Kellers 'Kleider machen Leute'

Keller was something of an unsophisticated writer who rarely disguised his attitudes towards his characters and who had little interest in literary theory despite his study of literature and philosophy in Heidelberg.

## Quiet Failure: Stories by Gottfried Keller

Career: Gave up art for writing in Zurich, 1842; government grant to study at University of Heidelberg, 1848-50, and University of Berlin, 1850-55; Cantonal Secretary Staatschreiber , 1861-76.

## Regulations for the Living Dead: Gottfried Keller

Gedichte, edited by Albert Köster.

## Humor in Gottfried Kellers machen

Keller can be at times sentimental, but the tone of his short fiction is never constant; there is often a sense of ambiguity and a hint of melancholy, even mental despair, and his irony is all-pervasive.

## Quiet Failure: Stories by Gottfried Keller

His presence is regularly felt in his paternalistic and moralistic tone, and he takes delight in criticizing folly by means of irony.

## Humor in Gottfried Kellers machen Kulzer, Wolfgang: skynet2550.us.to.au: Books

Their maternal rather than sexual role may spring from Keller's own dependence on his mother, who supported him financially until his 42nd year. Both greatly influenced his work.
