I would also recommend it for the many mainstream teachers who are striving for more inclusive classrooms and engaging in more creative teaching and learning. Following groups through a two-year period, she discusses how they were set up and the difficulties encountered and overcome. Equally importantly, it is written with practice application in mind.

## STORYMAKING AND CREATIVE GROUPWORK by Paula Crimmens, Paperback

Useful with clients across a wide range of physical, emotional, and cognitive functioning levels. Mindfulness-Based Elder Care, A CAM Model for Frail Elders and Their Caregivers.

## Storymaking and Creative Groupwork with Older People

The book relates to practice consistently and well. Dramatherapy Above all this is a common sense book that uses many practical examples from the author's considerable therapeutic experience. Universally praised by therapists, activity professionals, and staff who work with geriatric clients in nursing homes, adult day care, and community based programs.
