Hospitality Industry in Thailand

What are your most important markets, and what do visitors from that or those market s like about Thailand? How is your hotel or hotel group responding? What makes Thailand a dream destination for all these markets and other tourists around the world is Thai Hospitality, which is inherited in our culture. The Tongyai Bay, Koh Samui Tongyai Bay pool villa.

Nearly 100 Koh Samui Hotels Up for Sale Due to Lockdown

This is the highest level so far reached since 1995. Like so many reefs around this world, this one is in danger. January is promising by all reports but looking at February and March many hotels are seeing lower pick up compared to previous years.

Hyatt Regency Resort Opens on Koh Samui, Thailand

We are still committed to growing our portfolio and presence, with plans for upcoming openings still in place whilst we balance with initiatives to support our existing hotels. Confidence restoration is key to recovery Barnett observed the countrywide situation remains volatile, as long as there is no vaccination for the communities where tourists frequent. The is designed to resuscitate an economy expected to contract for the first time since 2009.

Thailand is now the largest producer of edible insects • Samui Times

The online session is set for Wednesday 11th August, 3:00 PM. Each spacious suite and villa exists in harmony with its natural surroundings, with Thai-inspired design creating a seamless experience between indoor and outdoor living spaces. They are also looking for more inspiration to live at their best, which means the guest experiences are key.

Hyatt Regency Resort Opens on Koh Samui, Thailand

The budget sector has the best ability to do this. Of course everyone is wondering about 2017 forecasted trends.

Hyatt Regency Resort Opens on Koh Samui, Thailand

Today, hotel industry appears to depend on Chinese tourists more than before. In the past peak season rates or surcharges have benefitted many hotels but this year, the period is becoming shorter and in most cases ending after first few days of January.

Thai Hotel COVID

Our growth is aligned with the goal of being the leading medium-sized hospitality player in the Asia-Pacific region.

Thai Hotel COVID

C9 Hotelworks anticipates that Phuket can look forward to 150,000-160,000 travellers a month, but a considerably lower average length of stay.
