Allan Cooper, a political science professor at North Carolina Central University, offers that the debt framing has failed to hold water legally, with courts dismissing numerous lawsuits filed since 1915 seeking damages. This study adds to the small but growing literature on Black health history--the rise of hospital care and hospital services provided to Blacks from the antebellum era to the integration era, a period of some 150 years.

Black Hospital Movement in Alabama

The Strange Career of Jim Crow. In 1942, 2000 people attended a mass meeting in Harlem, New York, at which speakers called on President Roosevelt to condemn lynching. But, that spring evening, hundreds of white Tulsans gathered at the courthouse where Rowland was being held.
