The Westminster Massacre

Two years later, a drought is said to have facilitated tension between Indigenous and non-Indigenous people in the area. In McKernan, Michael; Browne, Margaret; Australian War Memorial eds.

List of massacres of Indigenous Australians

Join thousands of Smart Owls who know more! Other diseases hitherto unknown in the Indigenous population—such as the common cold, flu, , and —also had an impact, significantly reducing their numbers and tribal cohesion, and so limiting their ability to adapt to or resist invasion and dispossession. The initial settlement at on was established in 1824 but was abandoned in 1829 due to attacks from the local. Loukaitis walked from his house to his school, where he had entered his algebra classroom during fifth period.

According to one source, Layman had got involved in an argument between Gaywal and another Wardandi tribesman over their allocation of damper, and had pulled Gaywal's beard, which was considered a grave insult. Indeed, while battles and massacres occurred in a number of locations across Australia, they were particularly bloody in Queensland, owing to its comparatively larger pre-contact Indigenous population.

List of massacres of Indigenous Australians

Some sought to remove all Aboriginal males so that they could sexually abuse their women and girls. Some better known massacre sites include , Waterloo Creek, Coniston, Appin, Bluff Rock, Slaughterhouse Creek, and Woodford Bay.

Blood on the Wattle: Massacres and maltreatment of Aboriginal Australians since 1788. One man clubbed a baby's head off from horseback.

What are the Frontier Wars?

The exact details will never be known as there are no official records and only unreliable accounts from the perpetrators who were scared of prosecution after were punished.

Frontier wars

The limitations of spears and clubs meant that surprise was paramount during raids for women and revenge attacks, and encouraged ambushing and night attacks. This process then continued into and from 1803 onward. Not all Indigenous Australians resisted white encroachment on their lands either, whilst many also served in mounted police units and were involved in attacks on other tribes.
