After Rin Sohma sees Tohru leave, Kazuma tells her Tohru asked him the same question she had. Oh, and let's not forget the two-player mode, either! It debuted in episode 91 of the anime and Act 27 of the manga. IMPRESSIONS: Although a hit item when it was first released, Chakan's gameplay and graphics aren't even worthy of mention now.

However, in May 1996 the Health and Welfare Ministry again rejected licensing. Significantly, the Kannon moves from left to right across the picture plane, which aligns it geographically with the Westward location of Korea, China and the Asian continental landmass from Japan. The RPG element tends to slow down the game, as it needlessly complicates the power-up process.
