## [PDF] Second Language Speech Production Research: A Methodologically Oriented Review

Can I use 92524 for fitting a patient for a speaking valve or changing a tracheoesophageal prosthesis TEP? Errors The second research question explored if there were any differences in the types of errors produced in L1 versus L2. Walking with Rosie: A cautionary tale of early reading instruction. Journal of Experimental Psychology: Learning, Memory, and Cognition, 26, 1283—1296.

## Linguistic Feature

Research applications for an object and action naming battery to assess naming skills in adult Spanish-English bilingual speakers.

## 4 Stages of Speech Production

Understanding a variety of situations prepares students for more successful comprehension at later stages, including both listening and reading comprehension. Since 1994, South Africa has had 11 official languages, nine of which are African Bantu languages, whilst two, English and Afrikaans, are Germanic languages. Cognate and translation effects on tip-of-the-tongue states in Spanish-English and Tagalog-English bilinguals.

## Understanding Assessment: How Does Linguistic Bias Affect Language Evaluations?

The perception of stop consonant voicing by Spanish-English bilinguals. Journal of Experimental Psychology: Learning, Memory and Cognition, 30, 246—269. There were many similarities with previously reported practices for children with SSD in the US, UK, and the Netherlands, with some but not all practices aligning with current research evidence.
