Fiction Book Review: Full Moon of Women by Ursule Molinaro, Author Dutton Books \$17.95 (0p) ISBN 978

However, Molinaro's evocations of these dazzling figures rarely evince much imagination or reveal more than established facts a notable exception is her piece on nuclear physicist Lise Meitner ; the bonds among the women are suggested but not developed.

So the poetess runs away when the moon goddess Circe says unto me: Sacrifice yourself as the next bride of stones.

Ursule Molinaro (Author of Positions With White Roses)

The innocent twelve year old. But in defiance of tradition, and as an expression of protest, a poet from an aristocratic family volunteers her flawless 30-year-old body. I can't figure what they even want.
