## A Practical Guide to Mentoring: How to Help Others Achieve Their Goals

Coaching is sharing knowledge about processes to help the employee achieve its goals.

### Mentoring in Action: A Practical Guide (2nd ed.)

As International Learning Director, Antoinette played a key role in developing people to grow the business. Although this is good advice, it may be harder to define both help and harm in the mentoring relationship than in more formal psychological relationships.

**M**

Frequently both parties come to a mentor relationship with divergent expectations. What we did · We started with mentor coaching for five coaches.

## A Practical Guide to Mentoring: How to Help Others Achieve Their Goals

If you listen to your mentors keenly then you get a lot of exposure to new ideas which can be implemented to achieve your goals.
