He won enduring fame For his generous and humane aid To early American settlers In the Oregon Country. McLoughlin welcomed them all; sheltered them at Fort Vancouver, sometimes for months at a time; and provided food, supplies, tools, and transportation to help them settle into their new homes. The house was not built with a kitchen, which was considered a fire hazard, or a bathroom.

John Kinsman built the house for himself and his wife Elizabeth using design elements characteristic of his other projects. Since 2003 the McLoughlin House has been part of the National Park System as a unit of the Fort Vancouver National Historic Site. Simpson decided to accompany McLoughlin, scout a new location for the headquarters, and survey the district to decide whether it was worth holding on to.
