The Most Influential Women of the 21st Century

This was the first feminist art program in the United States. One section provides discussions of literature by women of color, including works by such authors as Toni Morrison and Maxine Hong Kingston.

Woman's Suffrage History Timeline

From the vantage point of a dark-skinned Black American, the phenomenon of colorism among prominent political leaders of his or her race might well seem significant and disturbing.

The Woman that I am : the literature and culture of contemporary women of color (Book, 1994) [skynet2550.us.to]

From this time, Stanton--who had resigned as NAWSA president in 1892--was no longer invited to sit on the stage at NAWSA conventions.

The Most Influential Women of the 21st Century

This lack of education makes it difficult to understand bank statements, credit card agreements and other financial documents.

Women of Color: Defining the Issues, Hearing the Voices

At the same time that economic forces were pressuring women to take roles outside the home, American culture seemed to compensate by reemphasizing the importance of obedience and domesticity in women. First the variables were collapsed from a 4-pt.
