### Canadian Theatre Encyclopedia

They show the additions, deletions, impressions and scribbles of an artist constantly creating and questioning himself. Les thèmes qui prédominent dans....

### Tit Coq

The critical reaction was enormously positive.

### CEAD

Other papers relate to his work as an arts and cultural activist, including his involvement in the Union des artistes, or his career as a director of cultural institutions, such as La Comédie-Canadienne, which he founded in 1957, and the Canadian Film Development Corporation, which he chaired starting in 1969.

### Yvan Petit

Specifically, the fonds contains stunning photos by the National Film Board of Gratien playing Fridolin in 1945, other beautiful shots of him at the Stratford Festival in the 1950s and multiple photos from his private life and personal universe.

### Tit coq : Le film

A romance with the lovely young Marie-Ange changes everything for him until he's called upon to fight in the war.
