History of the Arabs

Eventually, the Zanj would find the conditions so intolerable, that the Zanj Slave rebellion broke out from 869 until 883.

Black History Month: Why Don't They Teach About the Arab

NOTE: Much of the information from this section is drawn from, and can be found in, the Arab American Almanac. The Qajar family took full control of Iran in 1794 after deposing Lotf'Ali Khan, the last of the Zand dynasty rulers - who were also foreigners. Although the Arab of today is sharply differentiated from the Negro of Africa, yet there must have been a time when both were represented by a single ancestral stock; in no other way can the prevalence of certain Negroid features be accounted for in the natives of Arabia.

Why Jews and Muslims Both Have Religious Claims on Jerusalem

After a 30 years of excluding most immigrants, the United States flung open its doors again in 1952 and an entirely new group of Muslims came from places such as Palestine many had come in 1948 after the establishment of Israel, Iraq, and Egypt. Other misconceptions and stereotypes include: Arabs are desert nomads; however, only two percent of contemporary Arab society is nomadic; and, Arabs oppress women. Their yesterdays are closely bound up with the here and now.
