Guidance: Preschool Children

Typically, children and adolescents are referred to the Clinic because of difficulties that interfere with their functioning at home, in school or in the community. You can encourage other colleagues to do the same with children.

Henrietta Weill Memorial Child Guidance Clinic & Adult Behavioral Health

Guidance is how you help children learn the expectations for behavior in a variety of settings. Call Chrissy Fegan 512 451-2242 Discrimination is Against the Law Austin Child Guidance Center complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.

Mental, emotional and behavioral healthcare

When adults have appropriate expectations for children, they are less likely to feel frustrated and to act out.

Mental, emotional and behavioral healthcare

The clinics were invested with social importance, responsible for enforcing norms of behavior and preventing social deviance.
