Christianity

This latter type of prehension and rejection is negative. And this claim cannot be impugned efficaciously by any physical demonstration. How does Tillich articulate this derivation? It extends to the entire created order, and constitutes the means whereby God directs the evolutionary process, both here and on distant planets.

I took a mental audit. The problem had slept for 2,500 years, like a cerebral aneurism waiting to burst within the skull of mathematics, ever since Epimenides the Cretan had declared that all Cretans were liars. Religious concern is both ultimate and concrete, and the two are always in tension.

It coincides, therefore, with my appearance as an author in the world of SF. And yet it was a thrilling year in 1974 when we began to dislodge what we thought was the tyranny.

The 'Natures' of Whitehead's God

It sounds like the proper abstract education for a philosopher, but Whitehead also did well as the leading school jock. God as eternal means that God is that which stands against and transcends the temporal even as God participates in it.
