## How to wash your hands

During your visit The length of time that you spend in the unit depends on the type of tests, assessment, treatment preparation and treatment you need. Once you have made a claim, HMRC will verify this and expects to the pay the grant within six working days.

## Risk assessment

If you need to be seen while your consultant is on leave, he or she will arrange for a consultant colleague or senior member of the team to see you. Employers remain responsible for the health and safety of their employees and other road users.

## Risk assessment

Many of you have already downloaded our , which comes with a Toolkit of useful documents and risk assessments. Businesses have also been looking to maintain income through alternative streams, for example by changing their offering to takeaway or delivery. However in doing this, they must not provide services to or generate revenue for, or on behalf of your organisation or a linked or associated organisation.

## The Best Employee Monitoring Software for 2020

The NHS Test and Trace service will provide evidence to your worker that they have been told to self-isolate. Please let us know this as soon as you can because it can take some time to arrange services in the community for you.

## Hazards in the Workplace

The government are also exploring ways that furloughed workers could use their time for training or to learn new skills. Under this scheme employees who have been furloughed will be able to receive up to 80% of their salary, up to a cap of £2,500. Action plans were drawn up within a week of our visits, asking for our feedback and clearly stating what will be done, by who and when.

## **Test, Trace, Protect in Cardiff and the Vale Explained**

Video recording is the next frontier and is already being offered by the likes of Teramind, StaffCop Enterprise, and Controlio. But he said he was not prepared to do this as he needed to balance the risk to the taxpayer with the needs of small businesses. When all employees are back to work, employers should handle holiday requests in a fair and consistent way, balancing the needs of employees to take their holiday entitlement and the need for the business to meet the requirements of its clients.
