## Contesting Christendom

Draw-books of the Renaissance artist-engineers such as and give a deep insight into the mechanical technology then known and applied. His introductory comments contain felicitous descriptions of, for instance, Irish Latin, or why it was particularly hard to write good Latin in tenth-century Italy. I imagine readers coming away with a much richer sense of the debates--still current! In thinking on the ways in which both goddess feminists and Anglican Christians engage with the figure of the black Madonna, this article will suggest that the feminist folk and Christian folk are both being creative in terms of how they bring together various strands and elements of religious practices.

## Christendom

The only major complaint, perhaps, will come from lovers of medieval poetry: there are too few examples of medieval lyric. This gave rise to masterpieces like the joyful Libro de Buen Amor Book of Good Love , the stories of the Libro del Conde Lucanor, and many others reaching early modern times and traveling across the Atlantic with the first waves of immigration into the Americas.
