The back is a bit of an enigma as far as design. The Search Guard Successor museum organization also known as SGS, or Sargess has created a secret team to begin tracking down ancient artifacts that have been disappearing. Review by The Super Sentai saga - created and produced by Toei Company, Ltd.

## Gou

It is filled with both drama and humor - with some hero characters actually dying or being replaced. There is also the Gou Scooper - which on the toy seems more like a garden trowel than the giant snow shovel-like tool it looks like in the show.

## DX Gougou Gattai DaiBouken

And when you combine them, you get the holey Gougou Sword. The northeastern Micmac in Nova Scotia and New Brunswick describe the creature as having big hands and the hairy faces of a bear but flat, no long snout and no visible ears. Gougou Vehicles Gougou Dump steals all of the thunder away from the other four Gougou Vehicles.

## Gou

However, like most of their designs, they added some good things. Personalized content and ads can be based on those things and your activity like Google searches and videos you watch on YouTube.

**Bigfoot: The Gougou, also gugu, gugwe and Kuhkw...eastern Canada monster as tall as ship mast...**

Gougou Marine Diver has a pair of large claws affixed to the nose, but the arms seen on the show are not used here. To move quickly over land to a common location en force, the five Gougou Vehicles combine to form a larger all-terrain mode known as Gougou Trailer.

**Kuku, the giant of Wabanaki legend (Gougou, Gugu)**

Gou Gou Pets, an online holistic pet store, uses ancient Chinese philosophies and holistic formulas to care for pets from their tongues to their tails. Eberhart describes the creature as a female monster taller than a ship that carries a pouch in which it puts humans to be eaten later.
