Samuel Herbert: The Man Who Brought Down the Conservative Government?

This list included the names of , and Jim Eynan. It is vitally important in a democracy that individual judges and the judiciary as a whole are impartial and independent of all external pressures and of each other so that those who appear before them and the wider public can have confidence that their cases will be decided fairly and in accordance with the law. I couldn't take this pressure by the coppers, and Stephen was a good friend of mine.

Independence

And when it looked as though Ward might still survive, the Lord Chief Justice shocked the legal profession with an unprecedented intervention to ensure Ward would be found guilty. The had existed since 1234.

Samuel Herbert: The Man Who Brought Down the Conservative Government?

Three days later, Ward died in. In the 24 hour media age in which we live, it stands to reason that the judge hearing the case will often be under intense scrutiny, with decisions open to intense debate. It was obvious to anyone that Stephen, with the police breathing down his neck and the press on his doorstep, would hardly have the opportunity or the inclination for this sort of thing.

Judge suing Ministry of Justice says he has been denied a fair hearing

It sounded, and was, nonsense. Then you help us, and we'll help you.
