We can double down on the lie and reelect him, we can find comfort in reaching back to an idea of normalcy and settle for safety, or we can decide to untether our politics from the insidious assumptions of race that have guided our choices for generations. What Can I Do With an American Studies Major? It draws on anthropology, sociology and intellectual history, the history of science and philosophy, literary and cultural studies, and political science. The history of the continent, in particular the impact of the colonial period on indigenous peoples and polities, demands close attention as it constructed borders and boundaries of indigenous ethnic, religious, or national identities.
