Prefer author Loos Crossword Clue Answers, Crossword Solver

Loos always said that she finished the manuscript on the train and forgot it in her suitcase for six months, but six months is just enough time to groom prose and leave a cover of indifference. They find the film in his pants, and Lorelei promptly prints and hides the negatives. Loos liked to joke that the Russian authorities endorsed her book as a capitalist tragedy—a reading, as she knew, that is perfectly respectable.

Monroe consented to with Mosby, in which she explained that she had agreed to do those 1949 photos, taken by Hollywood-based photographer Tom Kelley, for one simple reason: poverty. He was not even there.

'Gentlemen Prefer Blondes' cast: List of the characters they played in the film

Lorelei euphemizes as she goes. One day in 1924, while riding a train across the Midwest, Loos noticed that the men in her car ignored her but leaped to hoist luggage for the blonde beside her.
