In 2005 GDP ranged from 210 billion US dollars to 296 billion US dollars. So how does this literature help us to understand the interface between Islam and people in Britain, it might be asked. Then call them to Islam and if they respond, accept that from them and leave them alone. Yet he ponders for a moment and then declaims: I do repent and yet I do despair Hell strives with grace for conquest in my breast What shall I do to shun the snares of death? He portrays his Christian Parson as idealised and sentimentalised in contrast to his Wife of Bath who is bawdy, reckless and carnal. From 1915 to 1917, during the , he was interned by Germany as an enemy alien.
