Suitable when you want to close the negotiation process.

## Revolutionary Strategy

They simply cannot march straight to victory. These sections of petty bourgeoisie are reliable motive forces in the revolution.

## On the ANC's draft Strategy & Tactics: Part 1

To carry out our strategic objectives, first we need to articulate ourselves politically, build a new model of Libertarian movement and consolidate a socialist political project, to begin elaborating common plans of action and a program to put together the new societal model that we want: Socialism, from which we can carry out minimal programs or roadmaps with the goal of advancing in the current conjuncture. .

## The Bolshevik Tactics that Allowed the October Revolution

Principle 5: Change is not the problem; engagement is. And the butcher came nigh with his sharp knife. It seems like an inescapable requirement for radical advance.

## STRATEGY & TACTICS OF THE INDIAN REVOLUTION

What new opportunities present themselves when you relax those beliefs? Agrarian revolutionary program and area-wise seizure of power remain primary during the entire period. Also, the most favorable cases to apply the technique win-lose should apply only to isolated negotiations, since it is very damaging to professional relationships, often being the losing party does not want to negotiate again. Extortion of sharecroppers, robbing them of at least 50% of their produce is one of their forms of exploitation.
