Safety

I also highly recommended downloading a free local emergency app for your phone. You need to get a mobile CB radio with an external antenna on your vehicle. Distress beacons are important to have for life threatening situations.

A Field Guide to Mountain Thunderstorms: Staying Safe in the High Country

There is no ski patrol, avalanche control or services beyond the ski area boundaries.

10 Mountain Climbing Safety Tips To Keep Yourself Safe

As you apply the brakes, your brake pads will heat up. Pets can attract mountain lions into developed areas. Campfires can nevertheless be allowed by the sea or on approved campfire sites.

5 Safety Tips For Risk

If you are camping, plan to get to your campsite before dark.

Ben

Take them with you or hide them in your car. These are swelling cumulus cumulus congestus, the forerunner to the cumulonimbus, sending up billowing towers called turrets.
