### A history of Upper Canada College, 1829

Though now a private school, the college was created with public funds including an initial land grant of 6,000 acres of crown lands, later supplemented with an additional 60,000 acres. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.
