It demonstrates that while some areas of rural women's health research continue to thrive, the overall level of activity in recent years has been disappointing. The party was unsuccessful in its first election, the federal election of 1962, due to the backlash against the CCF's medical care program and to Canadians' general historic reluctance to vote for progressive change. The unemployment rate in Saskatchewan is currently less than 4 percent, the lowest in Canada, making Saskatchewan a good place to.
