Renaissance in Italy, Volume 1 (of 7), by John Addington Symonds

Generally Today historians on cultural and social changes in this time called the Renaissance, which will change the motion on education called humanism. People with identification of their nation view national beliefs and values as personally meaningful, and translate these beliefs and values into daily practices.

Protestantism

The forces liberated in the cities by these wars brought the Consuls to the front. Because many of these manuscripts are virtually unknown and previously unpublished, firsthand study of them offers a unique opportunity to reassess certain approaches to later medieval French literature. They now took the lead as political agents of the first magnitude, representing the city in its public acts, and superseding the ecclesiastics.

:LITERATURA MEDIEVAL:

But the Jews of Israel do not constitute the whole Jewish nation - they are a part of it.
