Savvas Learning Company is a trademark of Savvas Learning Company LLC. Given that social and political institutions both shape us and are shaped by us, what values should we adopt so that we may best fulfill our natures as individual and social beings? Presently, Andrea Veltman is an Assistant Professor in the department of philosophy and religion at James Madison University in Harrisonburg, VA, USA. We will begin with one of the most important works of ancient political philosophy, Plato's Republic, followed by a central text of modern political philosophy, Niccolò Machiavelli's The Prince, which we will read along with selections from his very different Discourses We will then proceed to an analysis of the two great nineteenth century movements that have shaped our lives today: liberalism and socialism.

It includes representatives of traditional moral theories as well as contemporary works on moral theory.

### **Readings in Social and Political Philosophy**

To answer this question we will survey four classical philosophical texts, then turn our attention to two contemporary works. The authors strive to demonstrate how philosophy illuminates and helps solve some of the important problems facing contemporary man, and they encourage readers to engage in philosophizing themselves.
