The life of language » 22 Dec 1984 » The Spectator Archive

Between 1965-1983 she was Writer-in-Residence at Universities all across Canada. Now, down on the farm, it seems exactly equal to the task — as if to tractoring, milking, mucking out, performing these jobs with the wholly effective absence of enthusiasm which for a countryman often seems the nearest thing to enjoyment. Founded to provide a publishing outlet for Irish poetry, the Press also heavily featured the work of Irish artists.

We dance it out to the tip of Monsieur's sword, Reading the lordly language of the inscription, Which is like zithers and tambourines combined: The Founder of the State. He wanted the river to go on flowing the same way, To keep on flowing. The scope of the press grew to include prose literature by Irish authors as well as a broad range of critical works about Irish literature and theater.
