## Standard History of Houston Texas From a study of the Original Sources [Electronic Edition]

The scheme must be given a reasonable time to justify itself, not necessarily seven years, but perhaps twenty or twenty-five years. It is currently at detailed feasibility stage with ongoing close consultations with local residents and businesses, and is expected to go to construction, subject to local buy in, in 2019 and be completed in 2021. The Scheme comprises of flood defence walls, embankments, flood gates and pumping stations for storm water that would otherwise accumulate behind the defences.
