Is this going to be snarky, yet informative Bill? Natives sometimes attacked with spears. However, the author would like the record to show that he did not have his glasses on; he trusted his hosts; he was scanning a large area of ocean for sharks; and he was endeavoring throughout not to excrete a large house brick into his pants. Bryson employed his usual humor in this travelogue, and numerous sections had me laughing out loud, sometimes embarrassingly so.

Extreme sunburns can be painful to the point of debilitation and may require hospital care. Melanin readily absorbs UV wavelength light, acting as a photoprotectant. It felt slightly more engaged when he dealt with the mysterious disappearance of former Prime Minister Harold Holt while swimming, but otherwise it read as though he and his publishers were simply determined to crank out another travelogue and Australia was one place they hadn't covered so far.

If I have any complaint about Down Under, it is that there is too little of it. These were the days when we'd roll 3-4 vehicles deep to shows and fly 8-12 of us to Europe with plane ticklets fronted with my bartending money. Nevertheless, the inflicted harm is often not immediately obvious.

Sunburn Stanley

Peel and puree a cucumber, then apply some of the mixture to your face like a mask. You can also place a cold, wet washcloth over your forehead or hold it against your cheeks to help dissipate the heat. He will be missed by many — none more than his beloved family.
