FDIC: Advisory Committee on Economic Inclusion (ComE)

Social isolation was defined by participants as low quantity and quality of contact with others while loneliness was defined as being more subjective in nature i.

About this Report

On the other hand, social isolation for urban seniors may be related to housing issues or community environments.

About this Report

Gatekeepers are members of the community including neighbors, friends, family and front line service workers such as bank tellers, grocery store clerks, pharmacists, postal workers, newspaper delivery services, etc. Ontario Footnote 7 Federal, Provincial, Territorial Ministers Responsible for Seniors.

About this Report

Approximately 50% of people over the age of 80 report feeling lonely; men over the age of 80 have the highest suicide rate of all age groups. Quebec Built Environment — The built environment can itself be a barrier to social participation. A diversity, equity and inclusion committee is a task force of diverse staff members who are responsible for helping bring about the cultural, and possibly ethical, changes necessary for your business.
